Evercore ISI and the Digital Therapeutics Alliance to Host Digital Health Leaders at HLTH 2024

NEW YORK, October 2, 2024 – Evercore (NYSE: EVR), the Digital Therapeutics Alliance (DTA) and HLTH, a leading platform bringing together the health ecosystem, will co-host a dedicated program on digital health and digital therapeutics at HLTH 2024 in Las Vegas, Oct. 20-23. This program marks Evercore’s sixth consecutive year hosting at HLTH and third year collaborating with thought leaders from DTA.

The program, *Tech Meets Therapy: Evaluating the Digital Health Landscape*, is scheduled for Monday, Oct. 21, 8-9 a.m. PDT at the Venetian Expo Center in Las Vegas. Two panels of leading industry executives will focus on the current investment environment within digital health as well as opportunities and insights to establish strategic partnerships.

“The digital health and digital therapeutics sectors continue to evolve and adapt in a rapidly changing market, highlighting the resilience of a still-promising verticals within healthcare. Our panels will delve into prevailing sector trends as they relate to investment outlooks and the opportunities for establishing strategic partnerships to deliver clinical and economic value,” said Elizabeth Anderson, Evercore ISI’s Healthcare Technology & Distribution analyst. “We are excited to continue our partnership with both HLTH and DTA this year to share our combined insights on the evolving landscape.”

Jessica Hauflaire, COO of DTA, said, “The investment landscape plays a critical role in the advancement of digital health technologies in healthcare. We thank Evercore for bringing us together to discuss the adoption of digital health and how investors can influence the next wave of healthcare transformation.”

“Given the rapid evolution of the digital therapeutics landscape in the past year, having well-informed funding and reimbursement strategies is more crucial than ever,” said Rich Scarfo, president of HLTH. “Our ongoing collaboration with Evercore and the Digital Therapeutics Alliance equips HLTH attendees with the expert insights and guidance needed to navigate these shifts and seize new opportunities for innovation.”
